

After-Meeting Evaluation Form

Meeting: Research Degree Sub Committee

Date:
4/9/09

Who attended from the Students' Union:

Katie Knowles (VP Ed and Welfare)

Key outcomes for Students:

- Research expenses will be cut from £1,500/year to £900/year for full time students and from £750/year to £450/year for part time
- This will not affect the 33 current research students who will continue on the old tariff

Any other points of interest:

York St John University has been used as best practice policy in other institutions and our expenses rate is still better than other universities which offer nothing
