

YORK ST JOHN STUDENTS' UNION OPPORTUNITIES

OPPORTUNITY

Arts and Crafts sessions at York District hospital for children

We are running some arts and crafts sessions with poorly children at York Hospital, come along and make a difference to a child's life!

SKILLS GAINED

You will gain skills in working/playing with children
You will have experience of organising arts and crafts for children
You will meet new people and create links with people you didn't have before
It could give you the opportunity to work within a setting you are interested in working in after Uni
You will be helping poorly children to get better!

ORGANISATION BACKGROUND

'Enriching the student experience' York St John Students' Union is run by students to meet the needs of its students through – recreation, participation, representation, advice and services. The Students' Union is here to support students and aim to provide a huge range of activities and opportunities to ensure students have the best time possible whilst studying at York St John University.
