

# After-Meeting Evaluation Form

**Meeting:** Academic Board

**Date:**

23/9/09

## Who attended from the Students' Union:

Katie Knowles (VPEW) & Jason Wallis (President)

## Key outcomes for Students:

- National Student Survey (NSS) – The big cheeses of the university are going to be communicating and working with faculties to create improvements in those areas that were rated lowly – try to work out the little problems – we will be following up on this to make sure it happens
- Withdrawal of Certificate in Peace Studies – affects two students who will still be supported to complete the course
- Timetable review happening on the 20<sup>th</sup> October – report from the Registrar will be circulated – we're keeping an eye on it
- Virtual Learning Environment – we asked that students be fully trained in how to use whatever system the university has in place

## Any other points of interest:

- It was noted that it was unacceptable that papers were being tabled at the meeting and not circulated in advance
