

After-Meeting Evaluation Form

Meeting: Business School QEC

Date:
28/10/09

Who attended from the Students' Union:

Hannah Moyes (Business School faculty rep)

Key outcomes for Students:

- E-submissions were discussed, and they are going to look into the issues surrounding document types and anonymity.
- In terms of core text books they are going to look into either getting more or buying e-books.
- The transfer from Blackboard to Moodle was discussed, and I asked that it not be trialled with third year students due to stress levels in the second semester.

Any other points of interest:

I gave a report on the programme rep training they were all really positive this year and appreciated the information students have been receiving about forms of feedback.
